“ *I met Walter 4 years ago when I first started working at the Golden Gate Post Office. When Walter walked in the whole place lit up. All 3 of us clerks would shout, "Hi Walter". He was always so kind and polite and he lived for his family. He told us all about them, especially his daughter. I started asking about why he hadn't been in and thats when I got the news. I felt like he was such a good friend, and he will be so missed. It was my honor to know him.*
