“ *I had the opportunity of knowing Wayne for about 4 years. He was building his truck in Ocean Springs MS. His sister always said he had visions then made it happened. I have some pictures somewhere. I owned an upholstery shop down the road from where he was working on the truck. He would come by when he was in town. When Katrina, the hurricane, hit he came by and helped my brothers and myself shingle my house. He did not want to but he did. Whenever I needed a friend I could call him and he was always there. When I moved from Ocean Springs I lost touch of him. That is why I am just finding out about his death. If you would like to contact me. My email Marie.Ann.Burns@ gmail.com*
