“ Van and Jenny my heart goes out to you both. Wendy will always be with me. She would want us all to smile and remember the good times we had with her. Having her as a close friend and co-worker for over the past year has been truly a joy. She is an inspiration to us all. I will miss seeing her smiling face, our hugs, hearing her kind words and sharing the many stories of life, love and most of all children while we worked side by side everyday. She had such a zest for life and cared for those around her. I will miss her dearly.

“ My friend... I never got to say goodbye so many things left unsaid. You were truly a good friend that I could trust and life will not be the same without you. You were always there for me when I needed you. You were a very positive role model in my life. I know we are suppose to rejoice on the fact that your in a better place but I cant help the emptiness I feel when I know I won't see you at work or I can't call you with a joke (about defending our bc)lol I love and will always miss you my friend you will be greatly missed by all.

“ Van, Jennie, I am very sorry for the loss of Wendy. She was a wonderful lady, always smiling. She will be missed very much by all who have worked with her at T.S.A.. I used to love ringing the door bell in the office about oh 4 to 5 times until she answered it. She was usually laughing or ready to kill me by the time she got there. I would smile and say I love you wendy. Yes miss wendy i truly will miss you . Love, Christina Hart.

“ Wendy,
I am going to miss you. I was sad when you moved to FL. Going to Syfy movies, craft festivals, and art exhibits wasn't the same without you. I missed going to the condo and having a fantastic home cooked meal. You made me love food I never thought I liked. It was great talking with you on the phone, and I thought time with you was just a short plane ride away. Life got busy and I never made it down. I can't believe the short plane ride will now be to your funeral. Van and Jenny will not be alone. We will grieve together. We will remember you.

“ Jennifer & Van,

Wendy was one of the most wonderful people I've ever known. She was ALWAYS pleasant, patient, generous, helpful, caring, loving... not mention a great cook. She NEVER had a bad word to say of anyone ? even if she had cause. She was great friend to me for over 20 years ? she always made time to talk & listen (really listen).

I haven't had such a heavy heart since I lost my mother ? so I can't imagine what you're going through. A word of advice - don't dwell on the time you're not going to have with her - but the time you did have. Keep your heart light ? she would have wanted that - fill the void with memories of her.

If you EVER need anything don't hesitate to ask. I'll do EVERYTHING I can - really - no BS. Even if is just someone to talk to.

*I'm sorry I haven't seen you in a while but I'll soon rectify that. I'll be in touch & see you soon ? I promise.
Sorry I can't be there or the services and TRY to comfort you!!!*

*LOVE,
Kirk*
