

Wilfred Michael Thibeau

February 23, 1983 - January 17, 2015

Wilfred M. Thibeau, 31, of Fort Myers, FL passed away on January 17, 2015. His father was a military man and Wilfred was born on the military base of Fort Bragg, North Carolina on February 23, 1983. Whenever he was young and went to his babysitter they called him, "Smiley". He loved to eat, cook and enjoyed Latin food; his all time favorite food was spaghetti. He came to enjoy the beach and the serenade of simple calm and peace. Little would he understand just how big his heart became. He was a social butterfly, painted people with his smile, won people over with his immense kindness. It seemed to become his mission: Bringing people happiness and hope. He leaves behind to celebrate his memory: his mother, Loriann Mendez; father, Rodney Thibeau & his wife, Linda; wife, Veronica; sons: Mark, Christopher and Dylan - who he loved wholeheartedly; brother, Arthur Thibeau; sister, Lisa Thibeau; brother, Ray Taylor. Wilfred had dedicated himself to his family. He was a great man, son, friend, father and husband. Wilfred, the man who turned frowns upside down, "We love you and will miss you for the rest of our days! Thank you, God, for saving his precious soul, Amen!"

“ Please remember...the love I have for my son far out ways the evil in this world. Praise God for keeping him now in our grief. Remember his smile...remember his spunkiness...remember that he just kept trying. For now I miss you my son, when my mission is complete for God, we will be reunited in all of God's glory. "Amen"

“ I only had the pleasure of meeting Wilfred once, but will never forget it. I was working as a cashier at Morton's Ace Hardware and a customer came to the counter to check out. I asked him if he had an Ace Reward card and he said that he did not. I then asked if he would like one and he said "Sure!" with a big smile that lit up his face. I asked for his phone number, and then his name and he said "Wilfred Thibeau." I paused and turned to look at him and said OMG you are Rodney's son! He was grinning from ear to ear and said, "Yes, Maam." I jokingly called him a name and we both laughed. What I remembered about him was his eyes, they danced with laughter. He seemed to be a very nice young man, very respectful, very polite and friendly. My heart breaks for his family as this senseless violence has taken away their loved one. RIP Wilfred, I'm happy I got to meet you, even if you did punk me!

“ He was a blessing to me truly 1 of the best friends I ever had! He took me to Gulf Coast hospital to give birth to my son and when they took him from me he picked me up from the hospital took me to the court house. Brought me medicine when I was sick, and was so excited to be the first to see my son's newborn picture! I was going to see if he wanted to be his god father being that he was going to call him uncle anyway... I know gods got a place for him. He was a jewel in a world of rocks to say the least! Im sorry for your loss as it was truly a loss to anyone that knew him! R.I.P Wilfred I will never forget you...

“ I know nothing I can say will bring any comfort, but Wilfred was the best kind of person a person can be. He was the brother I never had. His kindness, love, humbleness, and forgiveness was an example for all of us to follow. Of all the people I've known in my life he is the most deserving a place in heaven. Please know losing him hurt me more than any loss of my life. I hope one day you will find peace and the killer brought to justice. Thank you for raising the best man I've known. I hope I'll have a place in heaven to meet my friend again. Love always, Julio Perez Jr.

“ My sympathies go out to your family during this difficult time. Wilfred was a very special person, in school if you ever had a frown on your face he'd be the first one to turn it upside down. Just a gentle person with a heart of gold. He was so full of common sense (in middle/high school we lack it) his advice and kind words were always above and beyond! I pray the family finds peace.

“ Wilfred, I wish I'd had the opportunity to know you better, but life and many miles got in the way. I remember your cute little chipmunk cheeks and the time my bad hamster bit your finger and I felt so bad that it happened. I also remember seeing you all grown up, so handsome, so so handsome. We are all so proud of the man you became! Your life was taken way to soon and so wrongly and I pray every day they find the animal that did this to you and soon! Rodney, Linda, Lori, Lisa and Arthur as well as the rest of Wilfreds family and friends, know that you are all in my thoughts and prayers and I wish more than anything I could be with you during your pain, our pain. No matter what, step our real, you are my family and my heart aches so much for all of you. Rest in peace my sweet Nephew! Soar on eagles wings and watch over us until we all can be together again someday. God Bless and I love you guys♡
