“ I remember coming to your house when I was very very young with my momma. I will always remember you Uncle Howie, as a kindhearted, funny, loving, crazy gentleman. You always told me how much you missed me, Mom and Bryan and how bad you wanted to see us again. I love you so much and love the memories I have with you. One of my favorites will be how we always went fourwheeling every weekend. I love you Uncle Howie. Watch over us all.
