“ To the Gulmy Family, Please accept my sincere condolences. I would like to share this with you, "In all things gratitude. It is difficult at times to find a reason to be grateful, and this is one of those times. But this grief is also a gift that reminds us of our own capacity to love and be loved. Grief is borne of the loss of human relationships; the deeper we have loved, the deeper the grief. None of us would ever relinquish the privilege of having loved, the gift of having held, cherished and cared for the other. So with hearts filled with pain, and eyes filled with tears, we nonetheless give thanks for the incredible gift of love that will be ours for the rest of our days." I hope you can find some comfort from these words. My heartfelt sympathy goes to all of you. Sincerely, Kathy Caylor
