“ *BILLY riding that Spree. lol. I remember the old man down Cope Lane chasing him on that Spree and Billy laughing at him during the chase.*

He always had a smile and made us laugh

alot. He always knew what to say to turn having a hard day into a happy one.

Thankyou for all the long talks and being a part of my life, you will be missed.

“ *Back in the day Billy, Brian, David and I used a rope swing to get across the canal to the Wydimere golf course. Once we were there we would get the security guards to chase us around and then make our way back to the canal and jump in so the guards wouldn't catch us. We would sit on the safe side and aggravate the guards until they left. We would do the same at the old drive in. I miss those days.*
