“ *Uncle Bill,*

*You touched every person that you encountered deeply. You always had a smile for the outside world. You had an understanding, tolerance, and care for others that not many had. I only spent a small amount of time with you on this earth. That time was precious... You never once judged me, you accepted me for who I was and what I was without question. I love you for that. You are dearly missed and will not be forgotten.*
