“ *Hi Dad and Uncle,
Words cannot express how much I miss you and love you. I was so happy to have visited last year in November. I know you are at peace now with Richie and Tykie. Give my parents a hug and kiss for me. You were a fighter and gave me many pep talks for which I am most grateful. I remeber mommy asked you to please talk to me atleast once a week when she was gone and you did. Thanks for keeping her promise alive!
I miss you all so much and know we will be together one day. I know you all are watching over me and I feel your presence always.
Love you and you are all in my heart always,
Your adopted daughter,
