“ *My dearest Laurie. I have been so blessed to have known you and Tony since 1979 when you joined the staff of the Middletown Twp. Library in NJ. Tony would call frequently as cell phones weren't in use then. I knew how great that your love was for each other and was so happy for you both, When you retired and moved out of state we've kept in touch by phone and mail, I am so sorry for the loss of your beloved soulmate and wish I could be there to comfort you and help in any way that I could. I know that your lifetime of happy memories of Tony will always be with you and he will be in your heart forever. You will be reunited one day in Heaven. Sending my most sincere condolences and love.*
