“ *Bill was a friend from the 70s til we lost touch in the early 00s. He and first wife Marie lived a floor above us at Bad Aibling in mid 70s. Socialized with Bill and second wife Judy in Md and Harrogate in the 80s. Did a pub crawl with him while I was TDY in Hgate in 92. Hooked up with him on FLA in early 00s. Lots of good memories. Sorry he's gone.*

“ *I worked with Bill back in the late 70s, early 80s. Great guy. We visited him in Florida, and one of my lasting memories is when I (mistakenly) disposed of one of his fossilized treasures. "Where's my gecko?!" still lingers in my ears.*

“ *I did not know Bill very well, but do remember him at MHS. My condolences to his family. We have lost another good member of the MHS group.*

“ I was fortunate to have Bill as a good friend for many years. He was intelligent, honest, and one of the wittiest people I've met. Thanks for the memories Bill, my own road was the better for having known you.

Bill was a very good friend of mine in MHS, Fort Meade for many years and Okechobee Florida after retirement. A great personality and a super sense of humor. You are gone too young Bill
