“ To Bill's children and family, Although no words can really help to ease the loss you bear, just know that you are very close in every thoughts and prayers. Child Of Mine © Theresa Mcdermott Cassidy He's walking towards me surrounded by light I can't believe this miraculous sight It can't be him, I know he is dead But as I look towards him, he's shaking his head I did not die, I am still here Look into your heart, I've always been near My body died, yes, but not my soul You never had to let me go! Speak my name, talk to me It really is simple if you believe My spirit is here, I'm still around My love for you can still be found Don't weep for me, shed no more tears Remember the good times over the years Our time together did not end One day we'll be together again Whenever you're lonely or felling sad Look back on the wonderful years that we had One day God will call you, and bring you home You'll be right here with me, where you belong Until that time comes, live your life well I will be here for you, if you need my help Be happy, be gracious, be loving and kind Please know I'm still with you, child of mine. Rest in Peace my dear cousin!

“ My prayers are with all of you at this time. I pray for the Comfort of our Lord to billow over you and keep you in peace knowing that William is now with his loved one's on the other side. It is so hard to let go of our parent's grand-parent's, but knowing they are no longer in pain and suffering. God bless all of you.
