“Well Done, Good and Faithful Servant”

William (Bill) Sigler, 89, went to his eternal home on November 29, 2022, in Fort Myers, FL. Bill was born and grew up in Bloomfield, NJ and graduated from high school in Wall Township in 1950. Bill served in the US Army in 1953-1955. Bill worked his entire career for NJ Bell/Bell Labs/AT&T, where he met his beloved wife, Maria of 64 years. They resided in Wayne from 1963-2015 before moving to CA for 2 years, back to Wayne, NJ for 4 years & then to Fort Myers, FL in 2021.

Bill was a faithful Christian attending Wayne Presbyterian Church for many years and later Jacksonville Chapel. Bill was always building something, including many Habit for Humanity homes. He was passionate about using his talents in ways to help others. Bill was also very active in the Boys & Girls Clubs of Wayne, where he served on the board for many years. Bill & Maria had a love of traveling around the world, and often led their friends to experience new cultures with them. Bill's last 30 years gave him the greatest pleasure of being a grandfather, teaching baseball, building blocks which later turned to teaching home projects and also sharing his love of travel with the boys in Alaska, Bermuda, Disney & many other locations.

Bill leaves behind his wife, Maria, 2 daughters Susan Sigler of Visalia, CA and Pat Nestor (John) of Fort Myers, FL as well as a sister, Barbara Calabrese of Northport, FL. Bill was also the very proud grandfather of Brian, Kyle & Connor Nestor.
