“ *It's been so long since we spoke. I can't believe you crossed over. I hope you found peace. I am thankful for the fun times in Sarasota especially the time we got stranded out in the golf. We laughed so hard while waiting for our friends, the coast guards. Big hugs dawn Burdo*

“ *Yvette, sorry I haven't written but had a hard time finding this site. Well it's been almost a month since you left us and still have a hard time with you not here. Nick start school this week and Danielle is doing ok so far. I know they both miss you and wish they could hear your voice again. Well everything else is a mess, kids can not get any of your belongings back from him and his daughter texted Nick wanted all your clothes back which was a lie cause she wanted to wear them along with the lie he paid for your services we all know along with God. Wish you never got hooked up with this family they used you. Hope you are resting peacefully and watching over the kids Miss and Love you David Write again soon!!!*
